Everything a geezer-about-town needs to know about smelling nice, looking sharp and servicing numerous lady-friends

OFF THE LEASH!

A weekend's mental deficiency looms and you're as excited as a puppy with a ball that's got a hole in it. On the street outside there's a car horn sounding off and it's time to shift.

With just a few top travel items tucked in a carrier bag, you can swagger off, confident that whatever the weekend throws up, you'll be top terrier and you might even end up sharing the kennel of an obedient bitch.

It's not easy to find decent travel products, because shops use codes that only women can decipher. So we've pissed up that lamppost on your behalf.

1 VARIOSUN CLASSIC 150ml, £11.99

Going somewhere hot-ssssss? This fancy German stuff can dispense any factor of suntan lotion, ranging from two to 30, by simply twisting the selector dial. Dial 0800-026 0220 for stockists.

2 PIZ BUIN SHOWER FOR HAIR & BODY 200ml, £6.59

Available exclusively from Boots, this a high quality, convenient twosome to have in your possession after a hard day under the sun. It conditions, moisturises, and all that stuff.

3 DUREX GOLD £2.99 for three

Most of us have risked past-its-sell-by-date johnnies in an emergency. Well, you get nowhere in this game without taking a risk. But these fellas now come individually cased in plastic and even look like chocolate coins. Very handy if fatherhood or disease are not on your agenda.

4 THE BODY SHOP Thumb Thongs, £3 per pair

Sidle up to the slapper of your choice and use these intriguing thumb coverers to break down barriers with an 'innocent' head or foot massage.

5 THE BODY SHOP AROMATHERAPY BASE BATH & MASSAGE OIL 125ml, £4.50

Swiftly follow point four with this low-fragrance massage oil. Rub it on her Jelly Tots, cos the ladies love it, they do. Some full luvvin will be your dirty-minded prize.

6 KING OF SHAVES KINEXIUM SHAVING OIL £4.49

Why lump a tanker of shaving foam around when this little sod does the job just as well? Comes in a compact aluminium bottle with a useful pump dispenser... otherwise it wouldn't come out.

7 FUDGE HAIR VARNISH 22g, £2.95

The excellent Fudge range of suave hair gunk is now sold in these screw-top travel-size tubs. It smells too nice, so you might want to eat it.

8 RALPH LAUREN EXTREME POLO SPORT 50ml, £24

This slimline, hard-as-you-like, die-cast metal canister is up to the task of being lugged around, and the fresh-yet-surprisingly-sultry fragrance is perfect for those lingering BBQ parties.

Bounce with Brylcreem

The slick folks at Brylcreem have ten score-in-the-sack packs, worth £40 each, to go. There's styling cream, mousse gel, wax, shampoo and more gel!

And so your hair doesn't put the rest to shame, they've stuck in some Ben Sherman underwear, Smint mints and ribbed Durex. Send your name, address and phone number on a postcard to **frOnt** at the address on page 7.
